Hi Lynn and Chris,

As you know, we need to make an interim production of records for EPA-HQ-2017-009009 by COB Wednesday. Attached is a draft interim production letter. Chris, would you be able to put it on a letterhead and get it signed by the division director? Right now I have it as Marcus Zobrist, please change as appropriate. Lynn is currently ushering the records through final management approvals.

## Ex. 5 - Deliberative Process

It is important that this production go out before the end of the day Wednesday. If there's any reason that this may not be possible, please let me know. I will be out of the office Wednesday-Friday, so if there is anything you need from me, please let me know by COB Tuesday.

Thank you,

Peter
